Inspire ED Payment Arrangements

Dear valued customer and new customers,

From **1 March 2026**, payments will be required **in advance for the month ahead**. Unfortunately, there have been cases where services were received but not paid for at the end of the month.

To ensure fairness and protect Inspire ED, **invoices will be issued before the start of each month**, and payments must be made **on or before the 1st of the month**.

Please note: **Failing to deliver payment without informing Inspire ED will result in the loss of your time slot, which will then be offered to new clients.**

We trust you understand that this arrangement is necessary to safeguard Inspire ED and ensure continued quality service.

Kind regards,

Chrisna van Dyk
